Managing Water in the West

WATER, POWER & MORE – Folsom Dam & Powerplant

Folsom Dam is an important part of many lives.

For a limited time this summer, the staff at the American River Water Education Center at Folsom Dam is offering an interesting and fun presentation on Folsom Dam *at your site*.

These *free* programs are given at your location and include a discussion on Folsom Dam and Powerplant, a video tour, a replica of the dam and fun game of “Oh Dam” (bingo) help relay the story of this fascinating and vital structure. Each program is approximately 45 minutes long.

Learn the history, functions and importance of the dam, how the water in the American River is managed and the various ways it is needed and used while traveling through the Central Valley before reaching the Pacific Ocean.

Please use the enclosed registration form to take advantage of this limited time opportunity. Maximum group size is 40 persons per session. Program days and times are limited so register early.

Call (916)989-7275 for more information and questions.

American River Water Education Center at Folsom Dam
7794 Folsom Dam Road, Folsom, CA 95630 * 916-989-7275 *
E-mail: folsomtouroffice@mp.usbr.gov * Website: www.usbr.gov/mp/arwec

The purpose of the American River Water Education Center is to increase public awareness and appreciation of the American River Watershed and encourage individuals to actively participate in water conservation.
